PICKED UP HIS THUMB

Plucky Joseph Bishop, His Hand
Caught in Mill Shafting, Surprises
Shopmates.

While at work in the Sans Silk de-
partment of No. 8 mill of the Ameri-
can Thread company Monday morn-
ing, Joseph Bishop lost his right
thumb. He was standing on a step
ladder trying to slip a belt of a small
machine onto a pulley on the shaft-
ing. The belt started to wind around
the shafting drawing Bishop's hand
between the belt and the shafting. At
the same time the belt becoming taut
caused the machine to be pulled from
its fastenings on the floor and it was
drawn up several feet in the air drop-
ping with a crash. Bishop managed to
free his hand from the belt and came
down the ladder and coolly
picked up his thumb from the floor
where it had fallen when pulled from
the second joint. The accident cre-
ated considerable excitement among
the employees but Bishop walked to
the first aid room in No. 1 mill. It
was seen that his injury needed at-
tention by a surgeon and he was taken
to St. Joseph's hospital. Mr. Bishop
is a musician and his services were
missed by the American band at the
Charity Ball Monday night.

CHARITY BALL A

BRILLIANT SUCCESS

Large Drill Shed of Armory Hand-
somerely Decorated—American Band
Rendered a Concert.

The Charity ball given at the state
armory Monday night under the aus-
pices of Company F, First Infantry,
C. N. G., was one of the most brilliant
social events of the season. The large
drill shed was handsomely decorated
for the occasion by P. D. Donahue.
American flags were hung and draped
in great numbers. The boxes, thirty-
one in number, were arranged on either
side of the hall lengthwise. There
were decorated in red and white and
nearly all had bouquets of handsome
flowers. Members of Company L were
stationed at the sidewalk to assist
people from automobiles, others at the
door, while others acted as ushers.

The American band was seated on
a platform at the west end of the hall
and rendered a fine concert program
during the earlier part of the evening
and later furnished music for the
dancing. The band very generously
donated their services for the occa-
sion.

There was a very large attendance,
the gallery being filled.

The feature of the evening was an
English Maypole dance by a group of
Norwich school girls under the direc-
tion of Miss Edith Paschal. The girls
were warmly applauded for their fine
work.

The grand march took place at 9
o'clock. About one hundred couples
took part led by Captain and Mrs.
Pleasant.

The proceeds of the ball will be used
for the work of the United Charities
Association and the large number of
people who attended showed that the
people of this city consider it worthy
of their support.
